The 2021 High School Nationals will be held at the new Virginia Beach Sports Center April 23-25, 2021.

For the first time in 31 years, High School Nationals will cap the number of athletes per division. These **initial** division caps (below) will allow the NHSCA to host a safe event while utilizing extensive health and safety protocols. A detailed report of protocols will be sent to all registered athletes and coaches multiple times before the event and will be posted on the event page prior to High School Nationals.

The event will operate differently than in years past, the NHSCA will be implementing daily sessions to minimize venue occupancy and maintain the first-class environment of NHSCA events. Divisions and/or weight classes per session will be announced prior the event and a tentative schedule is available on the [event site](#).

Spectators will be permitted at High School Nationals, HOWEVER in adherence with state guidance there will be a **limited number of tickets per session**. The NHSCA is working closely with the Sports Center to determine the number of tickets able to be sold per session and will post information when available. All mats and matches will be streamed live by our partners at FloWrestling.

Details about ticket sales will be emailed to all registered athletes and posted on the event page when divisions and/or weight classes per session are announced (date TBD).

[REGISITER FOR HIGH SCHOOL NATIONALS](#)
